6 Strategies That Save Thousands

These are the highest-ROI strategies our readers use to save \$2,000+ every year. Master these six and you're ahead of 90% of shoppers.

The 24-Hour Rule

1

Wait 24 hours before any purchase over \$30. Eliminates 70% of impulse buys.

\$500-2K/yr

Price History Check

2

Install CamelCamelCamel extension. See if that 'sale' is actually a good deal.

15-40%

Triple Stack Method

3

Store sale + manufacturer coupon + cashback app = 30-50% off regularly.

30-50%

Subscribe & Cancel

4

Amazon Subscribe & Save gives 15% off. Get one shipment, then cancel.

15%

Amazon Warehouse

5

Filter by 'Amazon Warehouse' for open-box items at 20-50% off.

20-50%

Abandoned Cart Trick

6

Add to cart then leave. Most sites email 10-15% off within 48 hours.

10-15%

■ **START HERE:** The 24-Hour Rule alone saves most people \$500+ per year. Try it this week on your next purchase over \$30.
